

**zillow the name inspector** - as a denizen of the emerald city the name inspector has been intrigued by the meteoric rise of the online real estate service zillow and has speculated on the origins of their name those speculations though enjoyable have turned out to be pointless because it says right there on their website how they came up with the name zillow is a blend or to be old fashioned and french about it a, **skype the name inspector** - the name skype combines the familiar and the peculiar though there s that unmistakable word sky in there the end of the name is a bit of a mystery on the skype forum an employee reveals that the name was derived from the expression sky peer to peer which was shortened to skyper and then to skype so this is a kind of a blend but a rather unusual one, **future language atomic rockets** - adjectives in english absolutely have to be in this order opinion size age shape colour origin material purpose noun so you can have a lovely little old rectangular green french silver whittling knife but if you mess with that word order in the slightest you ll sound like a maniac
